Gentlemen:

You will please consider my application to take the children attending the Kerr School and living in the western part of School District No. 2 along the Reidy Road, to and from school for the coming school year. I will furnish a suitable and decent conveyance and do the work for \$50 per school month. I am a permanent resident of the district, and am personally interested. I have 3 children of my own attending the Kerr School. I am 50 yrs. of age and have had much experience with children. I desire different conditions from what we had last year, and if you trust the work to me, I promise to do the same in a well-ordered and decent manner. If you desire references please call up Morris & Co., Security State Bank, Fidelity State Bank, Hartung Shoe Store, and J. F. Cochran & Co. Hoping to hear from you soon in regard to the matter, I am

Very truly,

J. P. Wallace.
